- Rest Sale amount (As per Daily Marketing Sale Statement) shall transfer by transporter through their own bank account to designated dairy bank account.
- The mode of sale amount deposition may be conveyed to contractor from time to time to time & he should obey the instructions accordingly.

- (b) In case of two consecutive Bank holidays the sale amount in cash will be deposited in dairy's cash section.

- (c) In case the transporter fails to deposit the full sale amount a penalty of 0.3% on the shortage amount shall be imposed on daily basis.
- (d) The value of Milk & Milk products in Rs to be deposited by the transporter shall be calculated with this procedure (Department amount will not be included)-
 Value of milk (MRP) –Approved trade margin of Saras Agent/Dealer,
 Value of Plain Chacch (MRP) – Approved trade margin of Saras Agent/Dealer
 Value of other milk products (MRP) – Approved total margin (distributor + retailer)
 The transporter will deliver the milk & milk products to the Saras Agent/Dealer as below:-
 Value of milk (MRP) –Approved trade margin of Saras Agent/ Dealer,
 Value of milk products (MRP) – Approved Retail margin of Saras Agent/Dealer
 The trade margin will be decided by the Sangh. Any discrepancy in above shall be liable to be taken seriously, and may lead to termination of the contract.
 The Milk Products shall be handover to the transporter on prevailing distributor price (Except Plain Chaach- which will be handover to transporter on retail rate), he will supply them to Saras dealers on retailer rates. The value of milk products shall also be deposited with milk amount.
- (e) For distribution of Saras Ghee to retail outlets of Up-country routes
 Ghee will be issued by transporter on prevailing distributor rate on advance payment basis. Routewise requirement of Saras Ghee of any Saras Outlets shall be fulfill by their transporter on product distributor rate, on advance payment basis. For this ghee supply transporter will take Rs 2.00 per litre/kg as a transportation charges from the Saras agents.
- (f) The transporter shall issue receipt to each and every booth agent/shop agency against cash collected from them and maintain proper record. The milk union can demand copy of the record whenever necessary.
12. The contractor will ensure to lift only good & intact pouches of milk in crates at dock and stack properly in vans and will be responsible for delivering the same in good condition at the booths/ Outlets. Leakage & return milk & milk products will not be entertained.
13. If the Transporter/Distributor is a regular defaulter in depositing the amount in accordance with terms and conditions of agreement (against crates & milk) the UDUSS, Ltd shall have the rights to terminate the agreement without giving any notice/compensation and the security deposit will be forfeited or the outstanding amount will be adjusted from his security and Bank Guarantee. For the outstanding crates which remain pending for more than one month, UDUSS will debit the amount of

the crates at the prevailing purchase price of the crates. However if transporter bring back /deposit the outstanding crates for which amount has been charged, than deducted amount can be refundable/adjusted in party account @ the rate at which deduction done.

14. The transporter shall supply milk & milk products only on the route/area assigned to the party and shall endeavor to cover 100% of the authorized/approved outlets including booths/shops/institutions etc. and he will be free to sell milk to other sales centers in his allotted area.
15. For supply of milk in congested city areas where the supply vehicle can not go, the contractor will have to deploy small Auto or Traditional Thaila to ensure timely supply of milk to these sale outlets at their agency point. No additional payment shall be made by Milk Union for this arrangement
16. In case of institutional sales, the distributor shall have to collect the demand and supply along with the regular sale. The distributor shall raise the transportation bill of the milk supplied to the institutions at the approved rate on monthly basis. If found discrepancy in quantity supplied from dairy and quantity received at institution, the amount for shortage quantity will be deducted from future transportation bills of distributor.
17. It would be the responsibility of the Distributor to deliver the milk and collect empty crates from retail outlets from the site of the booths/shop/parlours. The transporter would also be required to issue his printed receipt to retail outlets for qty. of milk delivered, cash received & crates collected from them to avoid any dispute.
18. In the event of any booth agent failing to deposit the amount, transporter with permission of UDUSS, Ltd may stop supply of Booth. Every day the contractor will intimate the marketing section about any due payment/crates against Saras Agents. In absence of that the contractor shall be solely responsible to recover the amount/crates from the agents.
19. UDUSS, Ltd shall fix the M.R.P, Trade margin of the milk & milk products from time to time and in no case shall the transporter sell products to the retailer at a price higher than those fixed by the UDUSS, Ltd.
20. UDUSS, Ltd will provide time schedule for reporting of vehicle along with staff for loading at the Dock, delivery of milk at various points, total time to be taken for delivery of milk and for reporting back of the vehicle to the dairy. The transporter will be required to adhere to this time schedule strictly. Transporter will provide identity cards & uniforms to his staff as prescribed. Contractor will have to provide mobile phone facilities to their staff preferably to driver of the each vehicle and the same will be provided to

marketing section to have better communication with the officials.

21. Any of the officers authorized by the Managing Director, UDUSS, Ltd will have the power to inspect vehicle at any time on the supply route. The staff of the Transporter will unload and reload the stock at the time of surprise inspection and no charges for this will be paid to contractor.
22. Once the transporter takes delivery of milk from UDUSS, Ltd the responsibility of the UDUSS, Ltd shall cease. The entire risk & reward relating to milk & other products has been transferred to transporter. UDUSS, Ltd shall not be responsible for losses relating to transit loss, pilferages, weight loss etc. Further, UDUSS, Ltd is also not obliged to accept return of the milk sold to transporter. It is therefore up to transporter to ensure proper sorting of leakage/defective milk pouches before taking delivery.
23. The Transporter shall be responsible for the timely Distribution of total quantity of the milk and safe delivery at each outlet. If the Transporter fails to deliver full quantity of milk dispatched from the Dairy in time on all or any of the booths or supplies is not made in requisite quantity, UDUSS, Ltd shall have the right to impose penalty. Similarly if this delay deteriorates milk and transporter sells it to retailers then the cost of the same will be recovered from the Transporter and passed on to retailers with or without a penalty on transporter. Annexure 4 : Additional Conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis

- i if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be Disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

(i) At the time of award of contract. the quantity of Goods, Works or Services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.

(ii) If the procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the bidding document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.

(iii) In case of procurement of Goods or Services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order- However, the additional quantity shall not be more than 25% of the value of Goods of the original Contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the Supplier.

**3. Dividing quantities among more than one Bidder at the time of award
(In case of procurement of Goods)**

As a general rule all the quantities of the subject matter of procurement shall be procured from the Bidder, whose Bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the Bidder, whose Bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, in such cases, the quantity may be divided between the Bidder, whose Bid is accepted and the second Lowest Bidder or even more Bidders in that order, in a fair, transparent and equitable manner at the rates of the Bidder, whose Bid is accepted.
